FUTURE READY

- Academic Success:** Through our Project Learn and Power Hour, we support and complement the children's schoolwork. The programs are designed to provide the Club Members with the support needed to be successful scholars.
- Health & Well Being:** Our Triple Play program is a comprehensive health and wellness initiative. We strive to improve the overall health of members ages 6 – 18, by increasing their daily physical activity, teaching them good nutrition, and helping them develop healthy relationships. Triple Play provides our Club Members with information about making balanced nutritional choices, leading an active lifestyle, and increasing self-esteem.
- Character & Leadership:** Our programs build character and leadership opportunities leading our Club Members to develop into contributing citizens. BGCCC programs in this Core Area develop Club Member's capacity to engage in positive behaviors that nurture their own well-being, set personal goals, and live successfully as self-sufficient adults.
- Life & Workforce Readiness:** Our programs help Club Members develop life skills and be ready to enter the workforce with experience. The Job Ready program helps our Club Members research jobs, practice interviewing, learn about expectations and appearances, work on resumes and practice role playing. Our Money Matters teaches Club Members everyday life skills.
